The Beauty of Salanfe

A ring of mountains mirrored in the lake, a landscape dotted with alpine marmots and ibex... Salanfe has everything a nature-lover could want!

Situated in an exceptional mountain environment, our Auberge is a resting place on many hikes and trails. Fishing and mountain-biking are also popular activities in Salanfe.

Getting There

Salanfe is located in the Canton of Valais in Switzerland, between the valleys of Trient and Illiez. The shortest way to reach Salanfe is from Van d'en Haut, a hamlet situated just above the village of Salvan–Les Marécottes.

The Inn

Whether it's in a dormitory bed or an individual room, an overnight stay in Salanfe is a restful experience with a magical view.

Dormitories

There are approximately 9 bunk beds (18 places) in each dorm. Some dormitories can be made private, for groups of 4 to 6/9 people (for an extra charge). Pillows, woollen blankets and duvets are provided. The use of a sleeping bag liner and your own pillowcase is mandatory. Showers are available on each floor.

Rooms

Double and three-bed rooms are available (for an extra charge). All rooms all have balconies overlooking the lake and are equipped with duvets, towels and a hand basin. Toilets and showers are shared facilities on the same floor.

Hiking

Salanfe is the perfect base for hiking. A network of trails spreading out from the Inn offers a wide variety of options for enjoying nature and revelling in the great outdoors.
